PERSONAL PROFILE

Former semi-professional hockey player in the Quebec Major Junior Hockey League (QMJHL). Dalhousie University graduate with a Bachelor of Computer Science. Current graduate student and varsity hockey player at the David R. Cheriton School of Computer Science, University of Waterloo. Strong background in Java, JavaScript, Android development, Web development (HTML/CSS/Bootstrap), MySQL, and Firebase. Moderate background in C++, C, and Python. Strong work-ethic, leadership, and interpersonal skills acquired from 20+ years of playing competitive hockey and being a student athlete. Due to COVID-19, I am finishing my master's degree online and ready to start work immediately.

PROFESSIONAL EXPERIENCE

HOCKEY CAMP INSTRUCTOR
